

4Vu™ Privacy Screens

Experience the
4Vu Standard for
a Better Vu.

Private information can easily become public knowledge if you don't equip your workforce with the proper equipment to safeguard company assets. Meeting new standards in privacy protection, Targus 4Vu Privacy Screens ensure your valuable information is kept private without compromising screen clarity.

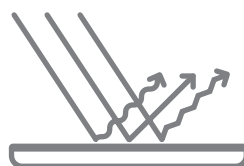

2 in 3 employees
expose sensitive data
outside the workplace*

Employees are **50%**
less productive when their
visual privacy is at risk*

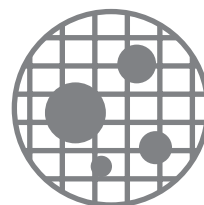

4Vu Key Features

Low-Reflective Coating

Reduces glare and improves
light transmittance

SKANET™ M-8
Anti-Microbial Film

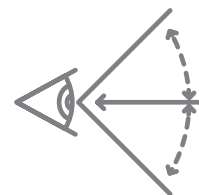

Prevents degradation and ideal
for touch screen devices

3 Installation Options

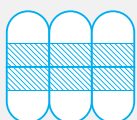

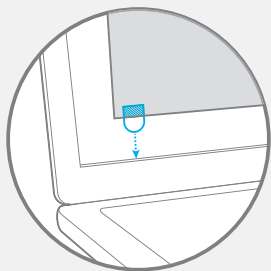

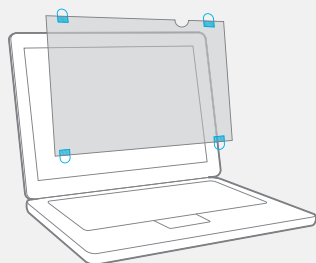

Adaptable, hassle-free installation

90° Angle Viewing Window

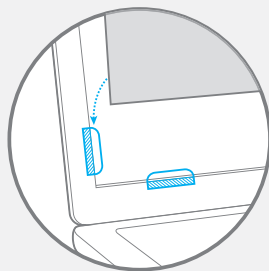

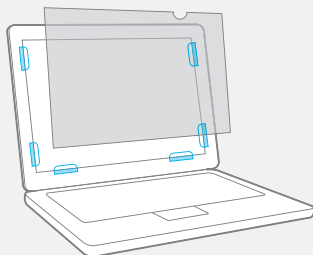

Data only visible to person directly
in front of the screen and up to
45° on each side

Three Attachment Options

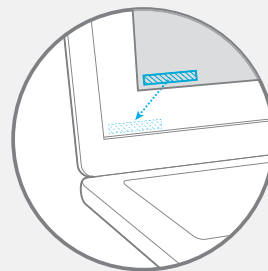

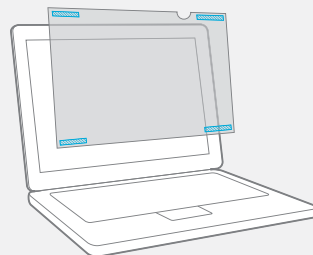

Adhesive Strips

- Designed to stick onto LCD screens
- Clear adhesive does not impede view

Tab Guides

- Attaches onto the sides of the LCD frame to hold privacy filter in place
- Position tabs so the privacy screen easily slides on and off

Under-Bezel Tabs

- Attaches directly to privacy screen, then slides under the bezel for a clean, simple look
- Patent-pending
- The most preferred option by business users
