

Solutions for Tablets

Tablets are quickly appearing on students' desks across the country. Make sure your classrooms have the complete solution they need to support and enhance education with Belkin tablet accessories. From tablet stages to wired keyboards and iPad covers, stay protected, connected, and productive, so you can focus all of your attention on your class.

COLLABORATION

Use these products to share and experience lesson plans directly from your device.

PORTABLE TABLET STAGE™

B2B118
MSRP \$99.99

Put your lessons on Stage.

- Stable, adjustable platform turns your tablet into an interactive presentation tool
- Case-compatible design works with most tablets
- Flexible and portable, designed for easy mobility
- Integrated cable management keeps USB and power cords out of the way
- Optimized for use with the **Stage™** interactive whiteboard and document camera app

BELKIN UNIVERSAL HDMI TO VGA ADAPTER KIT WITH AUDIO

B2B137-BLK
MSRP \$39.99

Bridging the gap in education.

- HDMI-f to VGA-f adapter, HDMI-m to HDMI-m converter, 3.5 mm audio cable (1 m), and "anyone can install" instructions
- No drivers, software, or external power adapters needed
- Tested in USA-based labs and FCC and CE certified
- Supports Apple TV, Chromecast, Chromebook with HDMI, Roku Streaming Stick, Raspberry Pi, full-power HDMI laptops, and several other AV devices

TABLET STAGE™

B2B054
MSRP \$199.99

Engage your class from the spotlight.

- Stable, adjustable platform turns your tablet into an interactive presentation tool
- Adjustable LED light with two brightness settings illuminates the workspace
- Integrated cable management keeps USB and power cords out of the way
- Case-compatible design works with tablets from 7" to 11" diagonal
- Optimized for use with the **Stage™** interactive whiteboard and document camera app

TESTING

Support secure and accurate testing with wired keyboards to prevent interference.
